SKETCH OF BISHOP GALLOWAY.

BY H. W. BAYL, D. D.

Bishop CHARLES B. GALLOWAY was born in Kosciusko, Mississippi September 1st, 1849.

His immediate ancestry were from Mecklenburg County, North Carolina.

He was converted while a student in the University of his native State, in 1866, at the age of seventeen, and joined the Methodist Episcopal Church, South, at Canton, Mississippi, under the ministry of Rev. C. J. Andrews.

He graduated from the University of Mississippi in June, 1868; was licensed to preach by Rev. R. Abbey, and entered the Mississippi Conference in December of the same year. Since that time he has been regularly in the pastoral work.

Possessed of remarkable capabilities for hard work and a heap of it, he has been on double duty through most of his ministerial life.

In addition to his pastoral work, in 1874 he was editor of the "*Temperance Banner*," and was for several years chairman of the State Prohibition Executive Committee.

In 1882 he was appointed by the Governor one of the trustees of the University of Mississippi, and the same year was elected a trustee of Centenary College.

He is the author of a pamphlet on "Prohibition," another on "Methodism," besides several printed sermons and addresses. He also wrote a book entitled "The Editor Bishop—Linus Parker—His Life and Writings."

He was a delegate to the General Conference of 1882, and also to the Centennial Conference, which was held in Baltimore in 1884.

He was elected editor of the New Orleans *Christian Advocate*, in June, 1882.

In May, 1886, he was a delegate to the General Conference, which met in Richmond, Virginia, where he was chosen as one of our chief pastors.

Since his election to the Episcopacy, Bishop Galloway has become very widely known as one of the leading spirits in American Methodism, and has established a reputation as a pulpit orator second to no man in the Atlantic States.

He has hardly yet reached the full vigor and zenith of his manhood, being only forty-two years old, and it is hoped that a generous providence will spare him to his church and race, to reach a ripe old age.

As a presiding officer, Bishop Galloway is courteous, yet firm, accurate, quick to see a point—reliable.

As a preacher he is chaste, strong, evangelical, vigorous, eloquent, and sometimes overwhelmingly powerful.

As a platform speaker he ranks alongside of Bishop Haygood, whom a Boston paper called the "Premier of American platform orators."

In the late Ecumenical Conference at Washington City, the Bishop and his honored associates contributed what they could to the "silence and dignity of the occasion," a compliment which can be paid to but few of that heterogeneous crowd.

I beg leave to state, however, that the sermon and prepared address of the Bishop, were pronounced by those competent to judge, the equal, in every respect, to the very best productions of that memorable occasion.

WESTERN NORTH CAROLINA CONFERENCE.

BY H. T. HUDSON, D. D.

This Conference, set off to itself a year ago last May, embraces a fine section of North Carolina. Its boundaries commence at the eastern limit of Rockingham county, and run south with the eastern boundaries of Guilford and Randolph counties to the southern boundary of Randolph county; thence west on the southern lines of Randolph and Davidson counties to the Yadkin River; thence with the Yadkin and Pee Dee Rivers to the South Carolina state line. All the territory west of these boundaries included in the State line of North Carolina belongs to the Western North Carolina Conference. It covers a salubrious, beautiful and productive scope of country, occupied by a thrifty population, mostly of the Anglo-Saxon race. It contains broad acres of fertile land on which the great staples of cotton, corn, wheat, tobacco, and fruits are abundantly grown. Other classes of its population are engaged in the profitable business of merchandising, mining, manufacturing, banking and other spheres of trade. Within its borders are engineers, architects, lawyers, physicians, authors, editors, school-teachers, etc., belonging to the Methodist Church. The Conference is well furnished with school equipments and railroad facilities.

This new Conference, manned with a well qualified ministry, steps off on its future career with a bold front and an aggressive spirit, starting with about 130 pastoral charges, nearly 60,000 communicants, 40,943 Sunday school pupils, and church property estimated at \$600,000. It raised last year for benevolent purposes something over \$21,000. It is destined, said Bishop Galloway, to be one of the leading Conferences of Southern Methodism.

THE GROWTH OF METHODISM IN AMERICA.

In 1766 the first Methodist Society in America was organized, composed of only five members. It was organized in the City of New York by Philip Embury, a local preacher.

One hundred and twenty-five years have rolled away since then, and behold what marvellous growth Methodism has had in these years.

· REV. W. C. GANNON.

A true and loyal soldier has laid down his sword to receive an imperishable crown.

On the 9th day of January, 1891, at the home of his son-in-law, Mr. J. A. Atwater, in Winston, N. C., the spirit of Rev. William Calvin Gannon passed from the sufferings of earth to the joys of the upper sanctuary. He was born in Guilford county, N. C., January 19th, 1828, and was at the time of his death not quite 63 years of age.

In the year 1849 he was converted to God at a camp-meeting at Pleasant Garden, and shortly afterward joined the M. E. Church South, in Greensboro, N. C. Here he served as class leader and Superintendent of Sunday-school, and it was here that in 1856 he joined the N. C. Conference and here also in 1889 he answered to the Conference roll call for the last time. In the beginning of 1852 he entered Normal College, from which institution he graduated in the class of 1856. He served as supply on the Guilford circuit during the remainder of this year, and at the close of the year he joined the North Carolina Conference at Greensboro, and for thirty-four annual gatherings without missing a single session of Conference, he gladly met with his brethren, and accepted and entered upon his appointments with a fidelity that knew no abatement.

On the 1st of April, 1857, he was happily married to Miss Mary Leach, daughter of James Leach, Esq., of Trinity College, N. C. Five children were born to them, four of whom and the mother, survive. He served the following charges:

- 1857, South Iredell Circuit.
 - 1858, Uwharrie Circuit.
 - 1859-'60, North Iredell Circuit.
 - 1861-'62, Mocksville Circuit.
 - 1863, Granville Circuit.
 - 1864, Wentworth Circuit.
 - 1865-'66, Granville Circuit.
 - 1867, Wentworth Circuit.
 - 1868-'69-'70-'71, Roanoke Circuit.
 - 1872, Granville Circuit.
 - 1873-'74-'75-'76, Newbern Station.
 - 1877, Salisbury Station.
 - 1878-'79, Wayne Circuit.
 - 1880, Warren Circuit.
 - 1881-'82, Warrenton Station.
 - 1883-84, Kinston Station.
-

1885-'86, Wadesboro Station.

1887-'88, Monroe Station.

1889-'90, Pineville Circuit.

In the death of Brother Gannon our church has lost one of its most useful and consecrated ministers. He was a warm and untiring advocate of Christian education; he was for many years a Trustee of Trinity College, and no man loved that Institution more warmly, nor labored for it with a more earnest zeal than he. From the beginning of his ministry to its close, he was a close and unremitting student. He did not go into God's sanctuary without unbeaten oil. He had a well furnished mind and was pre-eminently a Bible student. As a preacher he was strong, clear and impressive, sometimes moving with great power upon the congregations that waited upon his ministry. As a pastor, his warm loving heart went out for the flock over which the Holy Ghost had made him overseer. He was naturally of a most amiable disposition, sweet spirited and kind, drawing to himself lifelong friends wherever he went. Above all, he was a man of God, deeply pious, manifesting a Christ-like spirit in his daily walk and conversation. His piety shone with brightest resplendence when under stress of trial. His patience and faith during his affliction on his last charge, were mighty sermons for good to many of his sorrowing flock. He attended energetically and wisely to all his duties as a preacher, building up the church for Christ wherever he went.

During the year he spent on the Uwharrie circuit, more than 250 souls were converted, and during his pastorate at Newbern his labors were signally blessed. Under his ministry there, our church was visited with one of the most remarkable revivals in all its history, and among our people in that congregation, the name of W. C. Gannon is to this day as an ointment poured forth; and so on the Roanoke circuit and various other charges that might be mentioned. For thirty-four years he gathered precious sheaves for the Kingdom. With an unwavering faith, he pressed the battle against the power of darkness, winning scores and hundreds of souls to the service of his Master—and inspiring hope and courage in the hearts of thousands of God's people. Wherever he went sinners were converted to God and the saints lifted to a higher life. At the close of the year 1890, on the Pineville circuit, his health had become so enfeebled that he asked for a superannuates, relation, hoping that by rest he might be restored. He accordingly moved with his family to Winston that he might be with his son and married daughter. For the first few weeks his friends entertained the hope that he would recover; but his work was done, and we soon recognized the fact that the end was near. No man was ever

more ready to depart than he. When first entering upon his season of rest he said, "If it be God's will that I should recover, all well, if it be his will that I should go, all well." As he came down near the river his soul was undaunted, and he frequently gave forth utterances that signified his unfaltering faith in God. Not long before he expired he exclaimed: "I have fought a good fight, I have finished my course, I have kept the faith." His life had been a victory, his death was a triumph. In accordance with his request we laid his body to rest near the grave of Dr. Craven in the cemetery at Trinity College.

Rest faithful soldier, and farewell until we hail thee on the other shore.

W. C. NORMAN.

Remarks were made by P. J. Caraway, J. J. Renn, James Wilson, J. R. Scroggs, T. A. Boon and J. C. Rowe.

D. P. Tate read the following Memoir of J. F. Washburn.

MEMOIR OF REV. J. F. WASHBURN.

The Rev. JAMES F. WASHBURN, son of Perry and Elizabeth Washburn, was born in Cleveland County, February 27, 1854, and died in Yadkinville, N. C., June 29, 1891.

His life was one of devotion to the Church. Though he has been called from labor to rest so soon in life, yet he has started currents of good that will flow on to bless succeeding generations to meet and bless him in eternity.

He had the sure foundation for a good man—a good, consecrated, Christian mother, who had much to do with moulding and shaping his noble character.

He was always pious and good, and at the age of seventeen he was converted and joined the Methodist Episcopal Church, South.

He joined the North Carolina Conference at Durham, N. C., in 1881, devoting the remaining part of his life to the itinerant ministry, and meeting its obligations with a heroic faith and noble heart.

He was ordained Deacon in 1883, at Statesville, and Elder in 1885, at Charlotte, by Bishop Keener.

His service was given to the following appointments:

1882-'83 - Bath Circuit.

1884-'85-'86—Goldsboro Circuit.

1887—Jones Circuit.

1888-'89—Craven Circuit.

1890—Monroe Circuit.

1891—Yadkinville Circuit,

which he filled very acceptably till his death.

Brother Washburne was a good, sound gospel preacher, and filled the place of an itinerant acceptably, and under his preaching many souls were brought to Christ. Many will call him blessed in eternity. His quiet, unassuming manner and upright walk always won the hearts and confidence of his flock. They loved him. They honored him as the representative of God. No one ever doubted the genuineness of Brother Washburn's piety. He loved his brethren, was faithful to his friends and helpful to the unfortunate.

He was happily married to Hattie F. Foy, of Craven County, October 4, 1887, who has been a faithful sharer in all the toils and hardships of an itinerant life.

During his sickness he expressed a perfect resignation to the will of God. He was willing to live and work for Him or to depart and be with Him.

A few hours before his death his countenance seemed to be lighted with a heavenly ray, and he began to talk to the late Rev. J. T. Harris, one of his former presiding elders, as if he had come to accompany him home. He was a good man, and died triumphantly. He has not ceased to be, but has passed out into a higher and nobler state of existence, ever to be present with the good.

He is at home.

D. P. TATE.

REPORT OF COMMITTEE ON BIBLE CAUSE.

Your Committee on Bible Cause beg leave to submit the following report:

This Conference recognizes that the Bible, which is given to us by the inspiration of God, is the sufficient and only infallible rule of faith and practice, and as such it should have a place in all the homes of our land, where its truth may be read and its influence felt. It should be put in the hands of all our children that "in the days of their youth they may hear the Scriptures, which are able to make them wise unto salvation;" and should be sown broadcast among the people, because Jesus has said that "The seed is the word of God." Its circulation is necessary in all the work of Evangelization, whether at home or abroad. And especially in this day, when its authority is being assailed in the very bosom of the Christian Church, should it be circulated, and taught and studied by young and old—the Word itself being its own best witness of its Divinity. Therefore—

Resolved, 1st: That this Conference reaffirms its appreciation of the Bible cause and its readiness to do all in its power to promote that noble work.

2d: That this Conference renews its recognition of the American Bible Society as its chief agency, in connexion with other Evangelical Christians of this country, in circulating the Scriptures, and rejoices in the continued success of that time-honored society in its great and blessed work.

3d: That the Conference regrets to learn that the American Bible Society has been hindered in its most important work by the large falling off of contributions the last year, and trusts that the receipts of the present year will warrant the increase which the demands of the work call for.

4th: That the Conference, acknowledging the great service the Society has rendered our Church in its work, both in the Home and Foreign fields, confesses with regret the failure of the people to award the Society the financial support that it deserves.

5th: That our Pastors are earnestly recommended to take collections for the American Bible Society, and the amount raised be paid to the Treasurer of the Joint Board of Finance of this Conference, and that he be directed to forward the same to the American Bible Society direct.

J. E. WOOSLEY, *Chairman.*

REPORT NO. 1, OF BOARD OF MISSIONS.

SECTION 1st.

The Board desires to call attention of the Conference to the Resolution passed last year, which read as follows:

Resolved.—"That all money collected for Domestic Missions shall be forwarded to the Treasurer of the Board as collected, who alone shall pay it out to those holding drafts, and that the Treasurer shall not accept any receipt taken by a Presiding Elder or Preacher"

The Board has learned that this resolution has been disregarded during this year and that money has been paid to the Missionaries by parties not authorized and receipts for same have been sent to our Treasurer instead of money, and in view of the fact that some may not have known of the action of the Board at last Conference, it has instructed the Treasurer to receive the receipts for this year but shall refuse to give any such instruction hereafter.

The Board believes that this is the only way to conduct its affairs satisfactorily and without great trouble to the Treasurer. And if the above resolution shall be disregarded hereafter, such party or parties shall be required to make good the amount to the Treasurer.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

The Committee on Books and Periodicals have duly considered the matters referred to it and submit the following:

First. We recommend a closer reading and wider circulation of our *Quarterly Review*; which is large, well printed and filled with most excellent matter. We hope our laymen as well as our preachers will subscribe for this Quarterly.

Second. We recommend the *Christian Advocate*, our connectional organ, published at Nashville, Tenn., as a first-class weekly, beautiful in typography, quite large in size and superior as to the richness and variety of its matter.

We earnestly insist that our preachers exert themselves in putting this paper in all our Methodist families.

We also recommend that our people use the Sunday School literature of our Publishing House, consisting of the Magazine, the International Lessons, and the Sunday School paper.

The Raleigh *Christian Advocate*, the *Western, N. C. Methodist*, and the Statesville *Christian Advocate*, are all excellent papers, circulated in the bounds of our Conference, worthy the liberal patronage of our people, and we earnestly urge every Methodist family in the bounds of our Conference to take at least one if not more of them. We heartily commend the *Methodist Armor* *The Shield of young Methodist*, and Catechism by Rev. H. T. Hudson, D. D.

To all our Juvenile Missionary Societies we commend the *Bright Jewels*, a child's paper, published by Mrs. W. S. Black,

REPORT OF SUNDAY SCHOOL BOARD.

We, your Sunday School Board have had under consideration this vital interest of the Church, and now beg leave to report:

That we have sufficient machinery already unused, so that we find it unnecessary to provide more. But we would, by every means within our power, emphasize the more diligent use of what we have, and would call attention of the brethren again to the resolutions, reports and requests as passed by our last Annual Conference, prominent among which we would mention:

Those relating to a more universal observance of Children's Day as prescribed by our General Conference. Also to the remitting of the amounts raised on that day to your Sunday School Treasurer of this Conference, and not to the Publishing house or elsewhere.

Again to preaching of at least two sermons especially to the children during the year.

The organizing of all Sunday schools into Missionary Societies and the setting apart of a certain portion of the collections to be used for Missionary purposes only.

To a more universal use of the Bible in place of the Sunday School literature in our class recitals.

To the early appointment of delegates to attend the Annual Sunday School Conference.

But even more emphatically than this would we impress upon our brethren the importance of using more of the money when it is needed in their respective works, and which we desire to have put in active operation: (We refer to our Children's Day fund).

In compliance with your request, our Treasurer, C. H. Ireland, had a conference with J. T. Lyon, Treasurer of the Children's Day Fund of the North Carolina Conference, and in his settlement there was paid over to him \$362.60, which amount was deposited as per your instructions.

We submit for your consideration our Treasurer's report; from this you will see the schools that have been helped. But the treasury has been full all the year.

This should not be so and we have endeavored to impress the brethren with this idea.

The fact that this money has not been used is not an argument that the fund is not a proper one. But it does show that there is either fault in the distribution of it or it is not needed.

We claim that it is not the fault of your board nor of a lack of need, but is due to the fact that the brethren do not understand the principles governing the distribution of it.

There are hundreds of schools needy, thousands of children hungering, and scores of communities suffering for that which we are anxious

and willing to give. That there is fault somewhere cannot be doubted. We believe it could be remedied if the brethren of the ministry would give more diligent heed to the ever important subject of Sunday schools. That there is neglect here can be readily seen when we find from their reports that not only are there charges, but whole districts in which there has been no Children's Day observance, or if observed no visible results appear in our Minutes from such meetings.

We are not discouraged. We are encouraged. Our Sunday school work shows large improvements this year, as you will see from our reports. But still it is not what it should be, and what under God your Board intends it shall be.

We have 615 schools, an increase of 35.

We have 4,241 teachers and officers, an increase of 200.

We have 40,973 scholars, an increase of 2,000.

We have 8,449 Library books.

We have collected for Missions \$1,194.95.

We have collected for Children's day \$234.26.

We have collected for all purposes \$10,224.69.

This we claim even in a momentary view is no mean proportion of all your collections, and an increase in all lines but Children's Day fund. In this there is a slight decline. Your committee respectfully ask that you adopt the following:

1st. That the full exhibit of all our Sunday school reports, statistical, financial and otherwise be printed in our Minutes as the missionary and other interest of the Church.

2nd. That the blank form for aid of needy Sunday schools as used by the Treasurer of this Board be adopted as the form through which every application shall be made.

3rd. That our Sunday School Treasurer be requested to have printed in circular form, the law regulating the application for, and granting of aid to needy Sunday schools and that he forward a copy of each to every preacher in the Conference.

Respectfully submitted,

J. C. HARTSELL, *President.*

C. H. IRELAND, *Secretary.*

ASHEVILLE, N. C., November 11th, 1891.

To the Sunday School Board of the

Western North Carolina Conference.

Below I submit for your inspection a financial report of the money handled by me as Treasurer of the Children's Day Fund for last year. I have had applications made me by 19 schools for aid. I have aided 16 of these; three were not aided. The schools aided contained about 912 scholars. Most of the schools have asked for libraries and song books, and with but few exceptions have stated that they used

our literature, which they paid for themselves, so that the help granted has gone, I judge, to places where it was needed and to those who deserved it, and in such shape as will most likely remain a permanent source of help—more so than if it had gone in the way of literature. I mentioned some whom I have refused. This was because of the form in which one of the applications was made.. One asked for help for three years, and another lived in the bounds of the North Carolina Conference. You will notice I speak of a form; I have, in order to keep applications straight, had printed a blank form, a copy of which I submit herewith for your inspection.

You will note from my financial report, that the treasury has been full the whole year. In compliance with your resolution passed at our last Conference, I had printed in the *Raleigh, Statesville and Western North Carolina Christian Advocates*, a notice calling the attention of the brethren to the fact that I had this money in my hands for distribution. Up to that time I had not a single application; after this I had the 19 which I referred to in a previous part of my report.

I think it would be well for some means to be devised whereby this money could be kept in active use, and at the same time it should be guarded so that it would not be wasted. I think, in a very large degree, this interest is not looked after by the brethren as it should be, hence collections for this cause are not what they might be. This could be remedied in some sense by a better understanding of the present restrictive rule. But as it seems almost impossible to do this, I suggest that some means be devised whereby the money can be kept in active circulation.

Respectfully submitted.

CHAS. H. IRELAND.

REPORT OF BOARD OF EDUCATION.

The Board of Education beg leave to submit the following report :

The large and increasing patronage now enjoyed by all our schools is not only a proof of the material prosperity wherewith God has blessed our people, but is also clearly indicative of an awakened interest in the subject of education for which we should be devoutly thankful.

In addition to several institutions of learning, which while not owned by us, nevertheless are Methodist schools and closely identified with us, the Western North Carolin Conference has four that are owned and controlled by our church, viz: Trinity College, Davenport Female College, Weaverville Male and Female College, and Hayesville Male and Female College.

TRINITY COLLEGE.

We are glad to note that, in the face of many hindrances, this institution is going from strength to strength.

The total value of the property now held by the Board of Trustees of the College is \$200,000, whilst no longer than three years ago its property was valued at scarcely \$40,000.

Efforts to increase the Endowment have been continued ; additions have been made to the Faculty, so that at present there are 17 members engaged in the work of instruction and government, and when the new buildings, at Durham, are completed and the work entered upon there, we shall have an Institution of which the Methodists of our State may well be proud.

By an Act of the General Assembly of North Carolina, amending the Charter of Trinity College, the Board of Trustees was constituted of 36 members, 12 of whom are to be elected by the W. N. C. Conference.

We recommend the following to be elected as Trustees :

J. W. Alspaugh, H. T. Hudson, R. W. Thomas, W. C. Norman, J. H. Ferree, Jas. A. Gray, L. J. Hoyle, W. J. Montgomery, Wm. M. Robbins, John F. Crowell, W. R. Barnett.

DAVENPORT FEMALE COLLEGE.

This school is located in the town of Lenoir, Caldwell County. It is beautiful for situation and easy of access. Prof. John D. Minick is President, and is assisted by an efficient corps of teachers.

We commend this school to the patronage of the people, and recommend that the Trustees be allowed the privilege of employing a financial agent.

We recommend the following visiting Committee:—Rev'. C. C. Brothers, Rev. J. F. England, and M. O. Sherrell, Esq.

WEAVERVILLE COLLEGE.

This Institution is located in Buncomb County, 8 miles North of the City of Asheville, in one of the most beautiful and healthy sections of North Carolina.

It is presided over by Prof. M. A. Yost, and the Faculty is composed of teachers of ability and experience.

We endorse this school and commend it to the patronage of our people, and recommend the appointment of a financial agent to secure funds for making the needed improvements.

We also recommend the appointment of the following visiting committee:—Revs. C. W. Byrd, C. M. Campbell and J. C. Curtis, and H. A. Gudger, Esq.

HAYESVILLE COLLEGE.

This school is located at the county-seat of Clay County. It can hardly be surpassed for beauty of situation. It is under the Presidency of Rev. H. P. Bailey and W. J. Helms. The Board of Trustees of Hayesville College have transferred it to the Board of Trustees of Trinity College, at the direction of the Quarterly Conference of Hayesville Circuit, in which the title was vested. We earnestly commend this school to all.

GREENSBORO FEMALE COLLEGE.

This is a Methodist, though not a Conference school. Is closely identified with us. Perhaps not in the history of this Institution has it had a more prosperous year than it is now enjoying under the Presidency of Dr. B. F. Dixon. The sum of ten thousand dollars has recently been expended in fitting up the building with all modern improvements.

The number enrolled this term is 206, and of these 155 are boarding in the College. We most heartily and earnestly recommend this Institution to the people called Methodist and to the general public.

ASHEVILLE FEMALE COLLEGE.

This is another Institution which, while belonging to private individuals, is closely allied to our church. Prof. B. E. Atkins is the honored and able President. Great care has been taken in the selection of teachers, and the work done will compare favorably with that of the best Colleges for young ladies. We warmly commend this school to our people everywhere, and recommend that Rev. J. D. Arnold be appointed to a Professorship in it.

RUTHERFORD COLLEGE.

We would also recommend to our people Rutherford College, over which Dr. R. L. Abernethy presides, assisted by competent and efficient teachers. The new College nearly finished is one of the most

ample and convenient buildings in the State, and opens for the Institution a wider field of usefulness to the church and country.

Your Board would also take this method of approving the appointment of W. L. Massey by the Quarterly Conference of Pigeon River Circuit, as an agent for Bethel Academy, and trust our people will help and encourage him in his efforts to free that school from its present indebtedness.

We recommend that an educational assessment of \$4,000 be made to be apportioned on same basis as the other collections, and that of the amount collected Weaverville College shall receive one-eighth, Hayesville College one-eighth, Davenport College one-eighth, and Trinity College five-eighths; and that each of these Colleges shall report to the Conference the manner in which the money received from the Conference is expended.

The apportionment to the districts of the above amount is as follows:

Greensboro District.....	\$490.00
Winston "	426.00
Mt. Airy "	236.00
Statesville "	542.00
Salisbury "	483.00
Charlotte "	558.00
Shelby "	532.00
Asheville "	449.00
Franklin "	284.00
Total,	<u>\$4,000.00</u>

We also offer the following resolution:

Resolved, That as the Epworth League is an organized arm of church work and is educative in historical and doctrinal Methodism, therefore we recommend to the pastors the organization of Epworth Leagues in every society where it is practicable.

J. A. REAGAN, *President*.

S. H. HILLIARD, *Secretary*.

REPORT OF THE COMMITTEE ON TEMPERANCE.

WHEREAS, Temperance has ever been one of the cardinal doctrines of the M. E. Church, South—

WHEREAS, The liquor traffic, whether legalized or illegal, is making a mighty effort to continue its work of death—a work which is the veritable abomination that maketh desolate, therefore be it

Resolved, 1st. That we adopt, as our deliverance on this question, the action of the highest legislative body of our church.

Resolved, 2d: That the manufacture, sale, and use of intoxicating liquors, except for medicinal and mechanical purposes, should be prohibited as a nuisance and curse to our race.

Resolved, 3d: That we, as clergy and laity, will stand shoulder to shoulder, within the legal bounds of our beloved Church, in christian faith and fellowship, and work for the final overthrow of the liquor traffic.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

To the Bishop and Members of the

Western North Carolina Conference, M. E. Church, South.

Your Committee on District Conference Records begs to submit the following report:

We have carefully examined the records put in our hands with the following results:

The records of Asheville, and also that of the Franklin District, have been neatly and correctly kept.

We criticise the first sentence of the records of Greensboro, Statesville, Salisbury, Shelby and Charlotte District Conferences.

The Journal of Greensboro begins thus: "The second session of the Greensboro District Conference of the W. N. C. M. E. Conference, South," &c., should be W. N. C. Conference, M. E. Church, South.

The Journal of the Shelby District Conference has this language at the beginning of its records—first morning session: "The Shelby District Conference for the year 1891," &c., omitting W. N. C. Conference M. E. Church, South, which should have been inserted.

The Journal of the Salisbury District Conference begins with this language: "Minutes of the Salisbury District M. E. Church Conference," &c. It was not a Church Conference, neither was it a Conference of the M. E. Church, but a District Conference of the W. N. C. Annual Conference, M. E. Church, South.

The records of the Statesville District Conference begin with the following language: "The eleventh session of the Statesville District Conference commenced," &c., omitting W. N. C. Conference, M. E. Church, South.

The records of the Winston District Conference are wanting in good penmanship and general neatness, and strict accuracy.

Those of the Salisbury District are also defective in these respects.

The records of Charlotte District Conference—first morning session—begin as follows: "The Charlotte District Conference of Western N. C.," &c., omitting the words Conference M. E. Church, South.

The Journal of the Mt. Airy District has not been put into the hands of the committee.

Respectfully submitted.

Signed for the committee,

J. H. TOTTEN, *Chairman.*

R. M. TAYLOR, *Secretary.*

REPORT OF COMMITTEE ON CHURCH PROPERTY.

We submit the following: On examination of the Statistical reports, we find that our people are building handsome and commodious churches in many parts of the Conference, and we would encourage the continuance of the same. But we regret to find that our people, in a few places, encourage and build union churches and schoolhouses to the detriment of our church, and we ask our preachers and people to oppose such enterprises for places of worship. The present valuation of our Church property is the following:
